

Extended Day: A fun option for your child

Are you interested in enrolling your Strong Foundations student in an Extended Day Program? We are flexible based on your daily needs.

Miss Silvia will be continuing the popular Extended Day Program on the 1st day of school. It will run through the end of the school year. The after-school program has a homework club and an opportunity for outdoor exercise (weather permitting).

The morning program is from 7am – 7:45am, and the after-school program is from 3:45pm-5:30 pm each day.

We have kept the cost low because our purpose is to offer convenience to our parents and provide a fun place for your children to spend their nonschool hours.

Thank you,
Miss Silvia
